

Engagement Announcement Form

We are happy to publish free of charge announcements of births, engagements, weddings, major anniversaries, family gatherings, club meetings, and reunions. Information normally must be received no later than six weeks after the event and must be of local interest. Priority will be given to announcements that have not appeared in other publications. Please type or print information. We also are happy to publish five-generation photos of local interest. However, to ensure sufficient space for all news, four-generation photos cannot be accepted.
